***I understand many of you are new to the program so if you have questions, please email me anytime. We will be planning lineups for this as the year progresses. This is the only event all summer where we can't get everyone in as it's a dual meet format. Even with that said, many wrestlers and families have attended over the years, even with limited or no bouts. It's just wonderful up there and there is plenty of time for touring and rasslin!

***Note that there is an estimated \$20-\$35 payment for each wrestler for the registration fee that needs to be paid to the Foundation. Depends on the number of wrestlers coming. Just need to cover the registration fee as per the NJSIAA rules. We will finalize this number ASAP.

***For wrestlers traveling up with other families, you will be staying in a supervised room with a few other wrestlers. The coaches and parents will be supervising you for the few days. The cost for the weekend should you be traveling with another family will be a maximum of \$100 to cover the cost of the room for the few nights. This also needs to be paid to the Foundation.
