Electronic Communications Sign-Off Sheet

Throughout the season, it may become necessary for your child to receive electronic communications from his/her coach. Depending on the nature of the contact, these communications may be sent to your child through email, cellular telephone calls or text messages. The content of such communication should be informational only and relate directly to the extra curricular activity, i.e.: schedule, practice times, bus times, etc.

Understanding this, I/we give consent for my child to communicate electronically with his/her coach via text message or cellular telephone calls. Please provide the following information:

i. Cell number: _____

By signing below, I further understand that notwithstanding my permission, this form does not exempt the student or staff member from compliance with any other district policies or procedures and that all communications between the coach and student must be appropriate for a school environment.
